First visit to The Epilepsy Aide: Registration cards and record keeping. Medicines and costs. APPENDICES

Appendix A: Review of the epilepsies and their treatment according to age linked groups. Appendix B: Antiepileptic Drugs (AEDs).

In order to update the book and adapt it for use in all of Anglophone Africa, the Secretariat of the Global Campaign Against Epilepsy appointed an editorial committee with expertise in Africa, America, and Europe. Members of the committee were Bryan Kies (South Africa), Cecilia Bartels (Kenya), Gretchen Birbeck (USA/Zambia), Harry Meinardi (Netherlands), Jens Mielke (Zimbabwe), and Zenebe Gedlie Damtie (Ethiopia).
