MORAL ISSUES IN BUSINESS, 13E examines the moral dilemmas that are common to today's business climate and gives students the analytical tools to resolve those... Part III: BUSINESS AND SOCIETY. 6. Consumers. Product Safety. After surveying basic issues in normative ethics and American business, the text focuses on key ethical issues faced by consumers, employees, and employers in manner that encourages open debate and critical reflection. "Business ethics textbooks tend to either be too business oriented without enough reflection, or too reflective without practical relevance. (business and society issues) and our readers are scholars concerned with. 1. Ensure your manuscript fits the Business & Society domain. 2. Meet our quality threshold. 3. Avoid submitting too early. 4. Join a business and society conversation. Through a case study on engaging Ghanaian cocoa farmers on gender inequality issues, we explore how VPR methods may be used by researchers to achieve more inclusive, and thus more credible, stakeholder research that can improve decision making within businesses. Furthermore, we argue that ingrained social and environmental problems tackled by B&S research and the unique context in which they occur may open up new opportunities to develop participatory visual methods for social change.
