### Late Work / Make-Up Exams

**Late work:** You must turn in all assignments **complete** and **on time**. *Complete* means you have done everything specified in the assignment instructions. *On time* means within 10 minutes of class start time on the due date. Incomplete assignments will not be graded. Assignments may be turned in early, but I do not accept them late without giving *prior approval* for work to be turned in late.

**Make-Up Exams:** You must take exams during their scheduled time. A missed exam will receive a grade of zero. If you *must* miss an exam, with *prior instructor approval* there is an exam make-up opportunity at the **end** of the semester. You may only make up **one** exam.

Remember, one missed assignment or exam may lower your grade but will not cause you to fail. If your work is incomplete or late, or you must miss an exam for whatever reason (stuck at work, sick, emergency at home, etc.), these are the consequences. For best results, plan ahead, keep up with your coursework, attend class regularly and promptly communicate with your instructor about any issues impacting your academic performance.
