EnglishClub : Learn English : Reading : Recommended. FREE Downloads & FREE Games. Recommended Reading. Suggested reading for English Learners. Choosing appropriate reading materials can be difficult for learners and teachers. When you are trying to choose text to read in a different language, you may feel overwhelmed. Reading should be interesting and the level should not be too difficult. If you or your students are looking up words from every sentence, the reading level is too high. The Recommended Reading List is a valuable resource for technical professionals who want to thoroughly explore topics such as multi-core programming, embedded, security, and more. Dozens of industry technologists, corporate fellows, and engineers have helped by suggesting books and reviewing the list. Our recommended reading lists. August 15, 2017. We're passionate about helping children develop a love of reading, so to help parents find the right books we've put together a recommended reading list for each year group, from year 1/P1 to year 6/P6. If your child is a competent reader or has read many of the titles listed for their year group, why not try out some of the books from the next year up to give them a challenge? Year 1.
