Published : June 24th 2018

In 1803, an eighteen-year-old West Indies-born Frenchman arrived in New York City, fleeing Napoleon's conscription. His Name was John James Audubon, and his life's work would become inextricably entwined with the new world he so proudly adopted in his motto "America, my country." Dreamer, vagabond, romantic, and genius, Audubon was an archetype of the passionate and steadfast. In 1803, an eighteen-year-old West Indies-born Frenchman arrived in New York City, fleeing Napoleon's conscription. His Name was John James Audubon, and his life's work

would become inextricably entwined with the new world he so proudly adopted in his motto "America, my country." Dreamer, vagabond, romantic, and genius, Audubon was an archetype of the passionate and steadfast frontiersman. His turbulent life was a fusion of personal daring, tenacity, and boundless devotion to the land he came to love above all. Combining meticulous scholarship with the dramatic life story of a naturalist and pioneer, "Audubon" reexamines the artist's journals and letters in the first new biography of Audubon to come out in almost thirty years. The life of John James Audubon is not only the story of one artist's quest but also a meditation on the origins of the American spirit and the sacrifice that resulted in one of the worlds' greatest bodies of art: "The Birds of America." This is the story of a legendary artist and an eternal American hero.

About Author :

Shirley Streshinsky is a novelist, biographer, and journalist who has been widely published in the U.S. and abroad. Her non-fiction books include the biography AUDUBON, LIFE AND ART IN THE AMERICAN WILDERNESS. Her first book was AND I ALONE SURVIVED, based on the experience of the sole survivor of a small plane crash in the Sierra Nevada mountains, (with Lauren Elder), Literary Guild selection, Reader's Digest condensation, 18 foreign editions, and NBC movie for television; and OATS! A BOOK OF WHIMSY (with Maria Streshinsky). Her historical novels include: THE SHORES OF PARADISE, GIFT OF THE GOLDEN MOUNTAIN, A TIME BETWEEN, and HERS THE KINGDOM. All were published originally in hardback by Putnam and paperback by Berkley, there were several editions in Europe, and three were best sellers in paperback. These titles along with the Audubon biography are all being reissued by Turner Publishing in 2013. In a career that spans 40 years, Streshinsky's articles have been published regularly in such magazines as Redbook, the Ladies Home Journal, the Los Angeles Times magazine, and Glamour. Her travel stories have appeared in Travel & Leisure, Conde Nast Traveler, and scores of other publications. She has contributed to American Heritage, Preservation Magazine, AARP The Magazine and The American Scholar. Her travel essays have been featured on National Public Radio's Savvy Traveler. She is the recipient of the Society of Magazine Writer's Award for Excellence; the National Council for the Advancement of Education Writing award; she was cited by The Educational Press Association of America for "superlative achievement in features." Streshinsky is a graduate of the University of Illinois. She was married to the late Ted Streshinsky, a photojournalist with whom she often collaborated. They have three grown children. She lives in Kensington, California, not far from the Oppenheimer's home at 1 Eagle Hill.
