By : **Annie F. Downs**

Annie Downs is honest. She’s sincere. And she’s funny. In this two-book ebook bindup of her bestselling titles *Perfectly Unique* and *Speak Love*, Annie takes on two topics central to every teen’s life: how we see ourselves when we look in the mirror, and how we use our words in everyday life to either build someone up or take them down. In *Perfectly Unique*, Annie focuses on the you that everyone sees. Perhaps you are struggling with your body image or are trying to make sense of why God made you as you are. Maybe you are looking for new ways to understand Scripture or to love God more fully. Either way, this book will take you on a thoughtful, funny, and spirit-filled exploration of the way you were designed and will help you better honor the Creator by learning to value his perfectly unique creation (yourself!). In *Speak Love*, Annie turns the focus to the you that sometimes slips out via your tongue. Because everything you say—from what tell your friends, whisper about your enemies, post online, mutter to yourself, or even say to the celebrity you ran into at the coffee shop—carries a whole lot of power. Through very funny stories, Scripture, and a real understanding of the good, bad, and ugly ways we can use our words, Annie Downs explores the difference you can make when you speak love to others, to God, and even to yourself. Because when you speak love, you speak life. And that's what matters.

It's guaranteed to motivate you into action." Pat Williams, Senior Vice President, Orlando Magic "I spent a day with Austin and his family and found them inspiring. His story, I believe, challenges us all. The first thing I thought as I drove to the airport was: What was I doing when I was twelve? And then, of course, the next thought: What, exactly, am I doing now?" John Larson, Former NBC National Correspondent "When people ask me how they can possibly make a difference fighting a problem as big as 'global poverty', I tell them about a boy named Austin who, like David, stared Goliath in the eye without flinching. This young man has done more to make a difference in the lives of children orphaned by AIDS than most American churches, let alone individuals. If you are older than 10 and you haven't yet done your part to change the world, read Take Your Best Shot and be inspired. Austin Gutwein shows us the way". Richard Stearns, President, World Vision US, Author of The Hole in Our Gospel "When people ask who has most impacted me over the last year, without hesitation I can say Austin Gutwein and the story of Hoops of Hope. I am around amazing leaders all the time, and Austin rivals all of them. Austin is my friend. And Austin is one of my heroes. You can't be around Austin or the amazing work of Hoops of Hope without being deeply impacted and inspired. Trust me. Do yourself a favor and read this book and the incredible story. But once you do, be prepared to be changed and challenged. You'll see the world and your significant role in helping those less fortunate in an amazingly fresh way." Brad Lomenick, Executive Director, Catalyst "Austin's story is one of modern day heroism. He represents a new generation that can carry us all into the twenty-first century: a world of hope, peace and selfless love. Austin completely inspires me." Daniel Biro, Hawk Nelson
