Gone With the Wind. by Margaret Mitchell. Home /. She's so poorly read that as a practical joke Rhett almost convinces her to change the name of her store to "Caveat Emptor," or "Let the buyer beware" (49.53). And while we're not ones to conflate lack of education with lack of intellectual aptitude, Scarlett chooses not to be educated about so many things despite coming from a family that can certainly afford such learning. And this seems, well, a little stupid. Stupid Heart. Scarlett's intelligence (or lack thereof) is just one indication, maybe, of how ambivalent and uncertain the novel is about Scarlett in general. She's admirable and brave and full of gumption"but those same traits are a reminder of how the pre-war South has gone kersplat, along with its old gender roles.
