Stalin: The Glasnost Revelations

Walter Laqueur

Stalin: the glasnost revelations / Walter Laqueur National Library of . Laqueur's study is not conventional biography but a bringing together and summary of the revelations that glasnost made possible and the debate they have . Stalin: The Glasnost Revelations: Walter Laqueur: Amazon.ca: Books

In Stalin: The Glasnost Revelations, Walter Laqueur presents a comprehensive overview of the revelations that emerged during the glasnost period. This masterful biographical study is one of the few essential works of its kind.

Raised in the huge White Sea fishing port of Murmansk, Stalin initiated a series of repressions that radically transformed society. These included purges of the Red Army and the Communist party. Laqueur draws on extensive research to present a compelling portrait of Stalin's character and the circumstances that led to his rise to power.

The book offers a fresh look at the historical context of Stalin's reign, providing insights into the policies and politics of the time. It is a valuable resource for students and scholars of Russian history, as well as for those interested in understanding the legacy of Stalinism.

Read associated articles: Dmitry Yurasov, Joseph Stalin, Walter Laqueur....

Physicians were finally brought in to the comatose leader after a twelve- or fourteen hour interval. (D. Volkogonov, Stalin: Triumph and Tragedy, p. 513).

Thirdly, there was a deliberate lie in the announcement of his death, which was stated to have taken place in his Moscow apartment, whereas it actually occurred in his dacha at Kuntsevo. Historian Adam Ulam asserts that a conspiratorial air coloured the circumstances of Stalin’s death.
