See our disclaimer. Britain Since 1945: The People's Peace This penetrating analysis is the first comprehensive study by a professional historian of British history from 1945 to the present day. It examines the transformation of post-war Britain from the planning enthusiasm of 1945 to the rise of New Labour. Using a wide variety of sources, including the records of political parties and the most recently released documents from the Public Records Office, Kenneth Morgan brings the story right up to date and draws comparisons with the post-war history of other nations. Specifications. Publi 1945-11. British labor government. The prewar government was rejected in Britain. With the elections in July of 1945, Winston Churchill was replaced with Clement Attlee. There had been a persistent problem of unemployment. Sir William Beveridge's report "Full Employment in a Free..." It is not correct to say that Western Europe was at peace after the Second World War because the states were engaged in continuous warfare from 1945 through early 1960s against rebellions in overseas colonies 1960. 0 comments.
