Rise of Rome is the first campaign of Age of Empires: The Rise of Rome , and deals with the struggles and hardships in the Roman Republic (509 BC - 27 BC), against some of its most formidable enemies, such as Mithridates of Pontus and Hannibal. With the launch of the Definitive Edition , the campaign now consists of the following scenarios: Birth of Rome. Pyrrhus of Epirus. The Siege of Syracuse (named Syracuse in the original ). The Battle of Metaurus ( Metaurus in the original).
