Open Library. Vision. "Morality/morals = The moral beliefs, views and attitudes of given individuals, societies and groups" for example religious groups. "Ethics = Systematic reflections on moral views and standards (values and norms) and how one should assess actions, institutions and character traits. Why ethics? "Other disciplines (sociology, history etc) can tell us how the world is. "But these disciplines cannot tell us how we should act and live in the world. Morality and ethics. "We all have some experience with, and idea or understanding of, morality (e.g. as part of our upbringing): "Moral emotions
