So what exactly happened, and what lasting impact did the Reformation have? On this page. Roots of the Reformation. The wider picture. The break from Rome.Â Roots of the Reformation. It's one of those things everybody's heard of but nobody really quite understands. The culmination of centuries of Catholic corruption, or a bit of a fluke? The English Reformation was centralized in England and controlled by King Henry VIII. The Protestant Reformation was totally based on reforming the Catholic Church. It had many people involved and was widespread across Europe. The English Reformation was the series of events in 16th-Century England by which the Church of England first broke away from the authority of the Pope and the Roman Catholic Church. Based on Henry VIII's desire for an annulment of his marriage, the English Reformation was at the outset more of a political affair than a theological dispute. The reality of political
