

**Academic  
| Curriculum Vitae**

**1. Personal Information**

**a. Name:** Morris, Elaine Lisk, Dr.

**2. Present Appointment**

**a. Present post and grade:** Senior Research Fellow (pro rata 0.5818)

**b. Date of appointment to present post:** 26 February 1996

**c. Department/Group:** Archaeology

**d. Faculty/Budgetary Group:** Arts/School of Humanities

**3. Previous Appointments**

<b>Date</b>	<b>Appointment</b>
1993-1985	Finds Officer/Finds and Archives Manager Wessex Archaeology, Salisbury, Wiltshire
1985-1983	Self-employed Post-Excavation Report Writing, English Heritage
1983-1977	Post-graduate student Department of Archaeology, University of Southampton
1977-1974	Field archaeologist and finds analyst West Midlands Rescue Archaeology Committee, Worcester

**4. Qualifications**

<b>Date</b>	<b>Title of Award</b>	<b>Subject</b>	<b>Class</b>	<b>Awarding Body</b>
1985	MIFA	Finds Analysis; Research and Development Archaeology	-	Institute of Field Archaeologists
1983	Ph'D	Archaeology	-	University of Southampton
1974	Diploma	Anglo-Saxon Archaeology	-	University of Durham
1972	BA	Anthropology	-	Cornell University

## 6. Teaching

### a. Teaching responsibilities for the last two academic years

Year: 2002-2003

Course/Module	Mean Course Rating	Mean Lecturer Rating	My Contact Hours
AY2.51 Ceramics Practical-Pots and People (18 students)	4.6	4.8	36 hours
AY6.36 The Analysis of Ceramic/Lithic Assemblages (4 students-10 weeks; 7 students - 2 weeks)	4.5	4.8	106 hours

Year: 2001-2002

Course/Module	Mean Course Rating	Mean Lecturer Rating	My Contact Hours
AY2.51 Ceramics Practical-Pots and People (18 students)	4.7	4.8	36 hours
AY6.36 The Analysis of Ceramic/Lithic Assemblages (6 students - 10 weeks; 7 students - 2 weeks)	5.0	5.0	160 hours

### b. Summary of teaching responsibilities in the previous two years

Course/Module	Mean Course Rating	Mean Lecturer Rating	My Contact Hours
AY2.51 Ceramics Practical-Pots and People 2000-1; 1999-2000	4.7	4.8	36 hours
AY6.36 The Analysis of Ceramic/Lithic Assemblages 2000-1; 1999-2000	4.5	4.8	96 hours

## 8. Research and Scholarship

### a. Summary of current research and scholarship activities

*British prehistory* - updated review of doctoral research in the production and distribution of later prehistoric pottery and briquetage/salt in western Britain (1500-50 BC); investigation into the nature of Iron Age pottery production and distribution systems in the Andover area of Hampshire; the production and distribution of salt during the later prehistoric and Roman

periods in Britain; investigation of women potters and saltmakers in later prehistoric and early Roman Britain; production and distribution of pottery and salt in later prehistoric Kent is a new area of focused research

*Caribbean prehistory* - new research into the prehistoric ceramics of the eastern Caribbean

*Colonial history* - new research into the Afro-Caribbean ceramics of the eastern Caribbean

### **b. Summary of research and scholarship in the previous three years**

investigation into the nature of artefact production and distribution systems in Iron Age Britain; ceramic vessel forms and their functions; extraction and trade of salt in later prehistoric and Roman Britain; Caribbean prehistoric and Afro-Caribbean pottery production, use and trade

### **c. Summary of significant personal achievements in research and scholarship**

training the next generation of researchers into the study of ceramics as significant a material culture resource for understanding past human behaviour; management of a major project for English Heritage creating a Gazetteer and database of collections of later prehistoric pottery in England; developing new methodologies for systematic study of later prehistoric ceramics; the preparation of advice manuals for field archaeologists on the analysis and publication of finds and pottery generally and prehistoric pottery specifically; recognition of the distribution of salt in ceramic containers throughout western Britain during the later prehistoric period; co-editing of and principal contributor in major volume of research into the production and distribution of salt in eastern England during the prehistoric and Roman periods; senior contributor in the investigation and publication of research about a British colonial fortification in the eastern Caribbean and encouraging fellow researcher to pursue Ph'D into colonial fortifications in the Leeward Islands of the eastern Caribbean

## **9. Publications**

**All publications in chronological order within each category following the British Standard for bibliographic references. With multiple authorships, if one is the main author, that author's name appears in *italics*. Symbols in the left-hand margin: \* = especially significant publication; T = publication specifically related to teaching.**

### **1 Books - Authored**

**1997** with R. J. C. Smith, F. Healy, M. J. Allen, I Barnes and P. J. Woodward, Excavations Along the Route of the Dorchester By-pass, Dorset, 1986-8. Salisbury, Wessex Archaeology Report No. 11, 334pp. ISBN1-874350-10-8

### **2 Books - Edited**

**2001** with T. Lane (eds), A Millennium of Saltmaking: Prehistoric and Romano-British Salt Production in the Fenland. Sleaford, Lincolnshire Archaeology and Heritage Reports Series No. 4, 509pp. ISBN 0-948639-32-6

**1994** with A.P.Fitzpatrick (eds) The Iron Age in Wessex: Recent Work. Salisbury, Association Francaise D'Etude de L'Age du Fer and Wessex Archaeology, 124pp. ISBN 1-874350-11-6

**1981** with H.Howard (eds) Production and Distribution: a Ceramic Viewpoint. British Archaeological Reports International Series 120. 386pp. ISBN 0-86054-146-0

## **7 Edited Works: Contributions**

**2004** Later prehistoric pottery, in A. Brossler, R. Early and C. Allen (eds), Green Park (Reading Business Park) Phase 2 Excavationsx 1995-Neolithic and Bronze Age Sites. Oxford: Oxford Archaeology, Thames Valley Landscapes Monograph no. 19, 58-91.

**2002** Staying Alive: The Function and Use of Prehistoric Ceramics. In A. Woodward and J. D. Hill (eds), Prehistoric Britain: the Ceramic Basis. Oxford: Oxbow Books, 54-61.

**2001** Briquetage and Salt Production and Distribution Systems. In T. Lane and E.L. Morris (eds), A Millennium of Saltmaking: Prehistoric and Romano-British Salt Production in the Fenland. Sleaford, Lincolnshire Archaeology and Heritage Reports Series No. 4, 389-404

**2001** Briquetage. In T. Lane and E.L. Morris (eds), A Millennium of Saltmaking: Prehistoric and Romano-British Salt Production in the Fenland. Sleaford, Lincolnshire Archaeology and Heritage Reports Series No. 4, 33-63, 252-261, 265-279, 282-287, 351-376

**2000** Early prehistoric pottery, Fabrics, Dating and Summary. In A. J. Lawson, Potterne 1982-5, Animal Husbandry in Later Prehistoric Wiltshire. Salisbury, Trust for Wessex Archaeology, Ltd and English Heritage, Wessex Archaeology Report No. 17, 136-137, 140-153, 157-177

**1998** Aspects of Research into Later Prehistoric Ceramics. In A. Woodward and J. Gardiner (eds), Wessex Before Words. Salisbury, Trust for Wessex Archaeology, Ltd., 60-62

**1997** Where is the Danebury Ware?. In A. Gwilt and C. Haselgrove (eds), Reconstructing Iron Age Societies. Oxford, Oxbow Monograph 71, 36-39

**1996** Iron Age Artefact Production and Exchange. In T.C.Champion and J.R. Collis (eds), The Iron Age in Britain and Ireland: Recent Trends. Sheffield, J.R. Collis Publications, 41-65

**1995** Pottery. In I. Barnes, W.A.Boismier, R.M.J.Cleal, A.P.Fitzpatrick, and M.R.Roberts, Early Settlement in Berkshire: Mesolithic-Roman Occupation Sites in the Thames and Kennet Valleys. Salisbury, Wessex Archaeology Report 6, 77-84.

**1995** Study 10: Pottery Production and Resource Locations: An examination of the Danebury collection. In B.Cunliffe, Danebury, An Iron Age Hillfort in Hampshire Volume 6, A Hillfort Community in Perspective. London, Council for British Archaeology Research Report 102, 239-245

**1994** The Organisation of Salt Production and Distribution in Iron Age Wessex. In A.P.Fitzpatrick and E.L. Morris (eds), The Iron Age in Wessex: Recent Work. Salisbury, Association Francaise D'Etude de L'Age du Fer and Wessex Archaeology, 14-16

**1994** The Organisation of Pottery Production and Distribution in Iron Age Wessex. In A.P.Fitzpatrick and E.L. Morris (eds), The Iron Age in Wessex: Recent Work. Salisbury, Association Francaise D'Etude de L'Age du Fer and Wessex Archaeology, 26-29

**1991** Ceramic Analysis and the Pottery from Potterne: a summary. In A.Middleton and I.Freestone (eds), Recent Developments in Ceramic Petrology. London, British Museum Occasional Papers 81, 277-86.

**1987** Briquetage. In P.J. Fasham, A Banjo Enclosure in Micheldever Wood, Hampshire. Gloucester, Hampshire Field Club Monograph 5, 39-40

**1985** The Briquetage. In P.J. Fasham, The Prehistoric Settlement at Winnall Down, Winchester. Gloucester, Hampshire Field Club Monograph 2, 76

**1982** Iron Age Pottery from Western Britain: another petrological study. In I. Freestone, C. Johns and T. Potter (eds) Current Research in Ceramics: thin-section studies. British Museum Occasional Paper 32, 15-27

**1981** Ceramic Exchange in Western Britain: a preliminary view. In H.Howard and E.L.Morris (eds), Production and Distribution: a Ceramic Viewpoint. British Archaeological Reports International Series 120, 67-81

**1981** Petrological Report on the Beaker and Iron Age Ceramics from Midsummer Hill. In S.C. Stanford, Midsummer Hill, An Iron Age Hillfort on the Malverns. Hereford, private printing, 151-155

## **9 Editorships - Newsletter**

**1994-95** PAST, the newsletter of the Prehistoric Society

## **11 Journal Papers - Academic Journals**

**2003** with A. Woodward, Ceramic Petrology and Prehistoric Pottery in the UK. Proceedings of the Prehistoric Society 69, 279-303

**2001** with T.C. Champion. Seven thousand collections - on the Web. Antiquity 75, 253-254

**2000** A Caribbean feasibility - the Nevis Heritage Project. Antiquity 74, 267-268

**1999** with C. Newman and D. Bonner, Iron Age and Romano-British Sites Along the Bowden Reservoir Link Pipeline, South-East Somerset, Proceedings of the Somerset Archaeological and Natural History Society 143, 1-27 (published in 2002)

- 1999** with R. Read, S.E. James and T. Machling. ". . . the old stone fort at Newcastle . . ."; The Redoubt, Nevis, Eastern Caribbean, Post-Medieval Archaeology 33, 194-221
- 1998** Prehistoric Pottery, in J. McKinley, Excavations at Ham Hill, Montacute, Somerset 1994 and 1998, Proceedings of the Somerset Archaeological and Natural History Society 142, 91-107 (published in 2001)
- 1997 (1994)** The prehistoric pottery and salt containers. In G. Hughes, Old Oswestry Hillfort Excavations by W.J. Varley 1939-1940, Archaeologia Cambrensis 143, 65-74
- 1995** The Pottery. In A. Crockett, Archaeological Sites Along the Ilchester to Odcombe Pipeline, Somerset Archaeology and Natural History 139, 84-86
- 1994** Production and Distribution of Pottery and Salt in Iron Age Britain: a Review, Proceedings of the Prehistoric Society 60, 371-393
- 1994** Pottery. In C.M. Hearne and M.J. Heaton, Excavations at a Late Bronze Age Settlement in the Upper Thames Valley at Shorncote Quarry Near Cirencester, 1992. Transactions of the Bristol and Gloucestershire Archaeological Society 112, 34-43
- 1991-3** with S.J. Lobb. Investigation of Bronze Age and Iron Age Features at Riseley Farm, Swallowfield. Berkshire Archaeological Journal 74, 37-68
- 1992** The Pottery. In D.Coe and R.Newman, Excavations of an Early Iron Age Building and Romano-British Enclosure at Brighton Hill South, Hampshire. Proceedings of the Hampshire Field Club Archaeological Society 48, 5-21
- 1991** Finds. In C.M.Hearne, Archaeological Evaluation at Three Locks Golf Course, near Great Brickhill, Buckinghamshire, 1992. Records of Buckinghamshire 33, 103-105
- 1991** The Pottery. In P.S. Bellamy, The Investigation of the Prehistoric Landscape Along the Route of the A303 Road Improvement Between Andover, Hampshire and Amesbury, Wiltshire 1984-1987, Proceedings of the Hampshire Field Club and Archaeological Society 47, 17-28
- 1990-1986** with N.W.Jones. Excavations at Cross Street, Wokingham 1974-5. Berkshire Archaeological Journal 73, 104-115
- 1988** The Iron Age Occupation at Dibbles Farm, Somerset. Proceedings of the Somerset Archaeological and Natural History Society 132, 23-81.
- 1987** Later Prehistoric Pottery from Ham Hill. Proceedings of the Somerset Archaeological and Natural History Society 131, 27-47.
- 1985** Prehistoric Salt Distributions: two case studies from western Britain. Bulletin of the Board of Celtic Studies 32, 336-379
- 1984** Petrological Report for the Ceramic Material from the Wrekin. In S.C.Stanford, The Wrekin Hillfort Excavations 1973, Archaeological Journal 141, 76-80

**1983** The Pottery (Pride Hill Chambers). In M.O.H.Carver (ed), Two Town Houses in Medieval Shrewsbury. Transactions of the Shropshire Archaeological Society 61, 27-30

**1980** Medieval and Post Medieval Pottery in Worcester--A Type Series. Transactions of the Worcestershire Archaeological Society, third series vol. 7, 221-254.

**1978** Late Saxon Pottery from Worcester. Transactions of the Worcestershire Archaeological Society, third series vol. 6, 75-81

**1978** A Seventeenth Century Pot Deposit from Worcester. Transactions of the Worcestershire Archaeological Society, third series vol. 6, 83-87

#### **14 Official Reports : Whole Report**

**1992** Women in British Archaeology, Institute of Field Archaeology Equal Opportunities in Archaeology Working Party Report, IFA Occasional Paper No. 4, 20pp. ISBN 0-948393-86-6

#### **16 Reviews of Single Academic Books**

for Journal of Archaeological Science, and Britannia

#### **18 Other Publications - Research Equivalent**

**1992** Data Levels Guidelines, A Structure for Finds Analysis. Salisbury, Wessex Archaeology Guideline No. 2, 23pp.

**1992** The Analysis of Pottery. Salisbury, Wessex Archaeology Guideline No. 4, 55pp. ISBN 1-874350-04-3

### **12. Academic and Professional Activities Outside the University.**

**Details for the last three years (including current year) together with a summary of significant activities in previous years.**

#### **Committees and learned societies**

2000-2003	Committee Member of the Ceramic Petrology Group
1993-1995	Council Member of the Prehistoric Society
1990-1991	Chair, Institute of Field Archaeologists Equal Opportunities Working Party
1990-1994	Chair, Prehistoric Ceramics Research Group
1987	Founding member of the Prehistoric Ceramics Research Group
1986-1988	Publicity Officer for the Institute of Field Archaeologists
1985-1988	Council Member of the Institute of Field Archaeologists

#### **Invited Talks**

2004 Prehistoric Ceramics Research Group (hosting meeting at University of Southampton - 24 April)

2002 Prehistoric Ceramics Research Group  
 2001 Prehistoric Ceramics Research Group  
 2000 Ceramic Petrology Group  
 1995 Fenland Management Project  
 1995 Ceramic Petrology Group  
 1995 Southampton City Museums Archaeological Society  
 1994 The British Museum Department of Scientific Research Colloquia  
 1994 Prehistoric Ceramics Research Group  
 1994 Ceramic Petrology Group  
 1993 Ceramic Petrology Group  
 1993 The Prehistoric Society  
 1992 New Approaches to the Iron Age Weekend Seminar  
 1992 Day School at the University of Exeter  
 1991 The Prehistoric Society Summer Field Trip Conference
