Great Lakes Native Americans were alarmed to learn that they were under British sovereignty after the French loss of North America. When a British garrison took possession of Fort Detroit from the French in 1760, local Native Americans cautioned them that "this country was given by God to the Indians." [13].

Published 1994 by Oxford University Press in New York . Written in English. Subjects. Indians of North America, Europe, First contact with Europeans, Administration, Wars, Colonies, Sources, Ethnohistory, America, History. Places. Like most American Indians in eastern North America, those of the Ohio country soon saw the French as the lesser evil and used French assistance to pursue a devastating war that pushed some English colonial frontiers back two hundred miles. Meanwhile the French and a broad coalition of allied American Indians defeated the English on the New York frontier by capturing Fort Oswego (1756) and Fort William Henry (1757).
