Enlarge cover. Turabi's discourse is peppered with obscure historical references and quiet, self-deprecating chuckles when he talks of the impossibility of a poor nation like Sudan exporting terrorism or challenging the West. Then, in the same breath, he applauds the collapse of the Soviet Union, because it gave Muslim countries access to nuclear technology. "It's just that America's been trying hard, and visibly, to stop Muslims from developing any technology," he explained. "And, of course, anyone who's powerful would want to maintain the equation. I mean, it makes them e The powerful impact of the Mahdist revolution on Sudanese Islam and political life can be seen in the continuing influence of the al-Mahdi family. Muhammad Ahmad's son, Abd al-Rahman al-Mahdi, rose to the difficult role of family, religious, and political leader of the Ansar at the dawn of colonialism in the Anglo-Egyptian Sudan. Affendi, Abdelwahab El- An insider's view of the ideology and rise to a powerful position in Sudanese politics of the Muslim Brotherhood movement and its chief proponent, Hasan al-Turabi.
