There was a time where it was subversive, frowned upon,
According to Emanuel Levy, author of All about Oscar: The History and Politics of the Academy Awards, columnist Sidney Skolsky was there when she said this and would later write that “Employees have affectionately dubbed their famous statuette 'Oscar'. While the first documented instance of 'Oscar' as the nickname for the statuette was by Skolsky (in a 1934 New York Daily News article), the problem with this version of things is that there doesn’t seem to be any evidence that Skolsky actually said or wrote the above quote. Oscar Award is the most prestigious award ceremony of Hollywood, held on an annual basis. It has assumed the shape of a mega event and everyone associated, directly or indirectly, with Hollywood eagerly waits for the Oscar night. The popularity of Academy Awards has increased with the passing time. Looking back into the history of Oscars, we see that the awards were the brainchild of the Academy of Motion Picture Arts and Sciences (AMPAS), formed in 1927. The formation of the academy was a collaborative effort of 36 most prominent individual of the motion picture industry. Film actor Douglas F
