Nowhere is this more apparent than in Grey Gardens, where the brothers put a camera into the lives of the two Edith Beales, a pair of reclusive women related to former First Lady Jacqueline Kennedy Onassis who lived together in a decaying manse in East Hampton. Surrounded by scions of wealth and power, the Beales spiraled into a bizarre insular existence that's fascinating to observe. Even if you've watched the flick as many times as we have, there's still plenty to discover in Grey Gardens. Both Beales talk extensively about ghosts during Grey Gardens, claiming that several unsettled spirits haunt the creaky old house. Big Edie's tales of a sea captain are probably nonsense, but at least one person did pass on to the other side in the house during the Beales' life there.
